MADE IN CANADA

For Wet or Dry Soil

ALWAYS GREEN WATER DETECTORS will help you save your small, medium and large plants. You will never have to guess again!

EASY TO USE INSTRUCTIONS

1. INSERT the water detector deep into the soil on a slant.

2. EXTRACT the soil from the planter. The soil adheres in the grooves.

3. SEE and **FEEL** the earth.

*Soil Wet or Dry?
Never Guess Again!*

**For quick and easy cleaning:
dishwasher safe or rinse under
the faucet.**
